

About Us

St. Paul's Pre-School is designed for children 3, 4, & 5 years old. We work on general preparation for kindergarten readiness.

Our school year runs from September-May. We provide several class choices, with two teachers per class, & small class sizes. Monthly newsletters are provided to keep families informed.

St. Paul's features a full-size gym, outdoor playground, newly refurbished classrooms, & convenient drop-off/pick-up line for your children.

Mission

To provide the children with a positive self-esteem and the basic skills for successful social interaction with their peers & adults.

Program

St. Paul's Pre-School program includes the learning of colors, numbers, letters, rhyming, & opposites, as well as participation in science experiments & many hands-on activities. We work on cutting skills, writing names, learning addresses and phone numbers, and playing group games in our full-size gym. Throughout the school year, community helpers-like firefighters, karate instructor, Erie Zoo's Traveling Zoo, Santa, kid yoga instructor, Tooth Fairy, & police officers- visit to help us learn about our world.

The school's program emphasizes social skills and the introduction of the classroom structure. When the child enters the classroom each school day, they are given the freedom to explore the various learning activities and interest centers. There is always something new, but enough remains the same to provide the securities and comfort of familiarity. Teachers are always available to lend support to a child when needed.

We have quarterly assessments sent home during the school year. We offer parent conferences anytime requested. The Pre-School provides each child with a book bag to be used every school day.
